

ENJOYED BRIEF FREEDOM.

Serving Thirty-Four Years in a Prison, Man Again Arrested.
Chicago, August 26.—After three years of freedom, Frank Punshon, a well-known thief, who for 34 years has been outside prison for no time exceeding three months, faces penitentiary sentence again.
With the charges and identification of six women, who declare they have been victimized by him since his release from the Joliet penitentiary on June 2, confronting him, the man whose record in criminology is unique, Punshon returns to prison and expresses no regret.
The criminal efforts of Punshon are said to have started within four hours of his completion of a four-year sentence in Joliet, for two weeks the Chicago police had sought a man known as Frank Hope, who inserted advertisements in newspapers seeking services of housekeepers and nurses. Meetings with applicants were arranged in the lobbies of downtown hotels and always resulted in the taking of the applicants and transfer of small amounts of money on some pretext to the advertiser, who represented himself as a clergyman.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil causes and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.

Cut Woman's Throat; Kille Self.

Norfolk, Va., August 26.—Captain E. W. Jones, of company E, Seventy-first regiment, Virginia volunteers, killed Maud Robinson, better known as Maud Cameron, by almost severing the woman's head from her shoulders with a razor, and then attempted suicide by cutting his own throat from ear to ear with the razor which he had used on the woman. Jones is now in St. Vincent hospital. The murdered woman was 23 years old. Captain Jones is about 30 years old and unmarried. The tragedy occurred at the woman's house.

A Touching Story

Is the saving from death of the baby girl of Geo. A. Eyer, Cumberland, Md. He writes: "At the age of 11 months, our little girl was in declining health, with serious throat trouble, and two physicians gave her up. We were almost in despair, when we resorted to try Dr. King's New Discovery for consumption, coughs and colds. The first bottle gave relief; after taking four bottles she was cured, and is now in perfect health." Never fails to relieve and cure a cough or cold. At all drug stores; 50c and \$1; guaranteed. Trial bottle free.

Agricultural Society Adjourns.

Albany, Ga., August 26.—The annual convention of the state agricultural society closed Thursday afternoon, the second day's exercises proving equally interesting with those of Thursday. With very few exceptions the members of the society who were in attendance yesterday remained over today and the exercises have been well attended. Thursday afternoon the visiting agriculturists were taken out to the big shoals, making the trip on a special train provided by the entertainment committee. Some time was spent in inspecting the big work being done to harness the Muckafoonse creek. This work is now nearing completion and the big power plant will be in operation before the 1st of October.

Herbina

Renders the bile more fluid and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over indulgence in food and drink. G. L. Caldwell, agent M. K. & T. R. R., Checotah, Ind. Terr., writes, April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good, and I had given up all hope of being cured, when my druggist advised me to use Herbina. It has made me sound and well." 50c. Sold by W. M. Johnson.

Hoch Gets a Respite.

Chicago, August 26.—John Hoch, the man of many wives, convicted of the murder of one of them and under sentence of death, has escaped the gallows a third time. He was to have been hanged here Friday, but a supercedas was issued on an order of Justice Magruder, of the supreme court. The justice said that he had carefully examined the record presented by Hoch's attorneys and his study of it satisfied him that there was enough doubt to justify a review of the entire case by the supreme court. The case will come up at the October term of the court at Springfield, Ill. Hoch has been confident that the sentence of hanging would not be inflicted.

Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Ole Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by all druggists.

Soldiers Arrive at McPherson.

Atlanta, Ga., August 26.—McPherson was awarded from its summer solitude this morning at 5 o'clock, when the first section of the train bearing the Seventeenth Infantry arrived. The Seventeenth comes to take the place of the Sixteenth, the latter being at present on duty in the Philippines. The Seventeenth is one of the crack companies of the United States army, and the indications are that the officers and men will prove popular in Atlanta. This regiment has been in the Philippines for a number of years, and the return to the home land is a matter of joy to every one attached to the organization.

Taggart Unkind to Wife.

Wooster, O., August 26.—The depositions of Circuit Judge Berry and his daughter, of Newport, Ky., were read at the opening of the Taggart divorce case, both declaring that Mrs. Taggart had always, to the best of their knowledge, conducted herself properly. Emma Lytle, the negro servant employed by the Taggarts for nine years, then took the stand. She swore that Captain Taggart had often been unkind to his wife; that no one occasion the captain had thrown Mrs. Taggart out of the house and used abusive language.
